\* \* \* \* \*

P. Comes Nolin Rural Electric Cooperative Corporation, by counsel, and moves the Commission for an extension of time until January 20, 2006 to respond to the requests which were forwarded to Nolin and received on December 23, 2005. Nolin was given until January 10, 2006 to respond to those requests. They were received the day that the Christmas holiday was beginning for Nolin and Nolin was closed on December 23, 2005, and the person in charge of responding to those requests, mainly, Mr. O.V. Sparks, was on vacation from the 23<sup>rd</sup> of December until January 2. Therefore, when he returns from vacation, he will not have but five (5) business days in which to respond to the requests and some of the requests will require a considerable amount of work and possibly the obtaining of information from

the Cooperative Finance Corporation in Virginia. For these reasons, we respectfully request an additional ten (10) days of time in which to respond to the requests.
